Police Shootings: Developing Research Roadmap for Change. Online panel presentation, RAND Social and Economic Policy Divisions Board of Advisors, October 2021

Relaxing cannabis supply laws and effects on organized crime. Online panel presentation, Stockholm Criminology Symposium, June 2021

Police Shootings: Developing Research Roadmap for Change. Online panel presentation, RAND Center for Global Risk and Security Board of Advisors, May 2021

Combatting HIV/AIDS in Latvia and Estonia. Panel presentation, Webinar presented by World Learning in collaboration with the U.S. Embassies in Latvia and Estonia. December 2020.

Antimicrobial Resistance: Informing Policymaking through Historical Foresight. Panel presentation, Association for

Public Policy & Management conference. online, November, 2020.

Comparison of Criminal History Information Systems in the United States and Five Countries. Panel presentation, American Society of Criminology, San Francisco, November 2019.

International Experience with Fentanyl and other Synthetic Opioids. Panel presentation, American Society of Criminology, San Francisco, November 2019.

Understanding the Relationship between Online Hate Speech and Offline Hate Crime. Panel presentation, American Society of Criminology, San Francisco, November 2019.

Implementing Supervised Consumption Sites in Areas Acutely Affected by the Opioid Crisis: Community Perspectives from New Hampshire and Ohio. Poster presentation, Addiction Health Services Research Conference, Park City, UT, October 2019.

International Experience with Fentanyl. Panel presentation, International Society for the Study of Drug Policy, Paris, FR, May 2019.

Understanding the Relationship between Online Hate Speech and Offline Hate Crime – initial results. Panel presentation, American Society of Criminology, Atlanta, GA, November 2018.

AWARDS AND HONORS

F31 Ruth L. Kirschstein National Research Service Award, National Institute On Drug Abuse, 2025 (F31DA064402)

Brandeis-Harvard SPIRE Center Mentored Paper Award, 2024

Sir Arthur Newsholme Scholarship, Johns Hopkins Bloomberg School of Public Health, 2022

RAND President's Silver Medal 2020 for Future of Fentanyl project (with Bryce Pardo)

RAND Spotlight Award (2016, 2019) for contributions to RAND's projects

RAND Europe Quality Award 2014 for exceptional contribution to RAND's quality assurance system

Colfer Fund Award in support of thesis research, University of Cambridge, 2011

Dean's list, University of Washington, 2008

The Fund for American Studies scholarship, Institute for Comparative Political and Economic Systems, Georgetown University, 2007
